

## High Life for Veterans

For many returning veterans, that coveted place we call "The High Life" can initially seem out of reach. The **Give A Veteran A Piece Of The High Life** campaign is a genuine approach to recognizing our returning troops that engages consumers on an emotional level and rewards our brave veterans returning from Iraq and Afghanistan during this time.

For every High Life cap or tab a consumer drops off at select retailers or mails in, Miller donates 10-cents toward High Life Experiences for returning vets. Up to \$1 million will go toward paying soldiers' way into sports events, concerts, outdoor adventures, and more.

## Welcome Home from the Kozol Brothers

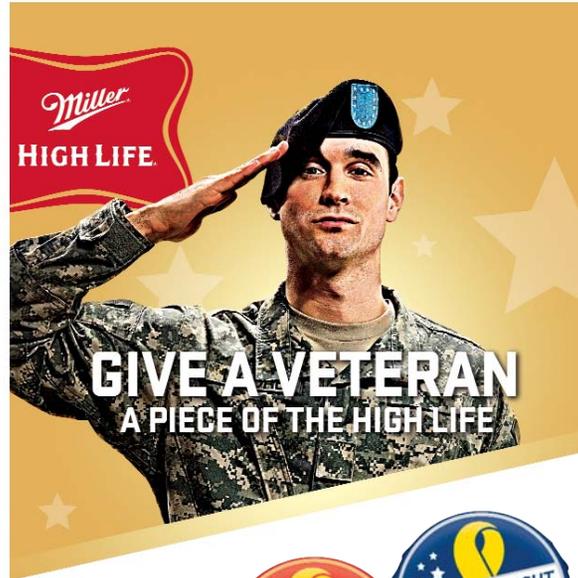

Joseph Kozol, better known as Buck, served as a sergeant in the 904th ordinance H. A. M. company during World War II and served in the European theater under General Patton from 1943 to 1946.

Buck, who passed away in 2010, believed in hard work and dedication to family and country. On behalf of Kozol Distributing and the Kozol family, we would like to thank you for your service. Enjoy the High Life!

## Lockport Salutes You

The City of Lockport is honored to serve as host to our returning veterans. We proudly salute you for your dedication, courage and sacrifice. The city's Veterans Commission regularly promotes programs for veterans, raises awareness of veterans' welfare issues, participates in programs with other veterans groups, and recognizes the accomplishments of local veterans. We hope you enjoy your day at Broken Arrow Golf Club.
