Bad Ice Make-up Date Feb. 15th

Bangs Lake - Wauconda, IL

**-Proceeds benefit The Wounded Heroes Foundation
and Veterans R&R**

The **Wounded Heroes Foundation** [WHF] assists the severely injured men and women of our Armed Forces serving in Iraq, Afghanistan and around the world. These traumatic injuries that include vision and hearing loss, amputations, gunshot wounds, burns and blasts will retire these brave warriors from the very military service that now defines them. We demonstrate love and support by helping to meet their needs and the needs of their families. www.woundedheroesfund.net

The mission of **Veterans R&R** is to perform charitable services, provide educational programs and research for alternative treatments, to enhance productivity and quality of life, and to disseminate timely and useful information to United States Military Veterans afflicted with Post Traumatic Stress Disorder, Combat Related Stress, and Traumatic Brain Injuries. www.veteransrandr.org

Registration and donations can be done online at www.lvvaicefishingderby.com or day of the derby.
